

An individualized virtual platform to serve students requiring supports for academics, social/emotional, and or behavior needs. We offer a comprehensive suite of supplemental services and learning supports. Tailor your program and services to your individual child's needs. We are at your service.

- **A dedicated academic instructor** providing individual and small group learning.
- **Services to choose from** include Speech and Language Therapy, Social Pragmatics, Occupational Therapy, Adolescent Psychiatry, Individual and Family Therapy, and College and Career Counseling.
- **Student and family friendly portal** for all services including weekly schedules, academic and therapeutic progress reports. IT support available.
- **Individualized and flexible schedule** accessible from anywhere based on family needs and geographic location.

- Who We Serve -

Students diagnosed with autism spectrum disorder, attention deficit hyperactivity disorder, depression, anxiety and learning differences.

Fully accredited by the New England Association of Schools and Colleges.

I think we are very fortunate to have the ability to distance learn. I have learning differences but get one-on-one help with my learning. Glenholme does a good job and classes are really fun.
